

Awareness Programme

(In view of World Environmental Day)

06.06.2022

Department of Botany was observed “**World Environment Day**” on 6th June 2022. As a part of this the Department conducted an Awareness Talk on environment sustainability by Sri T. Prasad Rao, Environmental Engineer, Andhra Pradesh Pollution Control Board.

OBJECTIVES:

- To create awareness about immediate & wider surroundings (environs).
- To nurture natural curiosity, and creativity for the immediate surroundings.

The speaker delivered an informative presentation about the environment and how to bring awareness in people and also how to protect environment for the future generations. World Environment Day (WED) is celebrated annually on fifth June and is the United Nations' key vehicle for encouraging awareness and action for the protection of the environment. First held in 1973, it has been a platform for raising awareness on environmental issues such as marine pollution, overpopulation, global warming, sustainable development and Wildlife crime. The programme was concluded by closing remarks given by Dr. V. Narayana Rao, Principal.

OUTCOMES:

- The talk reminds the students about the urgent need for protecting the environment and reminds the responsibility of the students to create a world free of pollution.
