UNIFORM SYLLABI NOT POSSIBLE, SAYS CENTRE

HRD Min Says Dialogue On With State Boards For Similarity In Curriculum

TIMES NEWS NETWORK

Vijayawada: Stating that uniform syllabi cannot be enforced on all states in one go, Union HRD minister Smriti Irani said that the Centre is trying to achieve similarity in the curriculum. She said the Centre has a limited role in redesigning the syllabus of the textbooks prescribed for students as the states enjoy autonomous powers as per the Constitution.

Smriti Irani, who was on a whirlwind tour of the city on Tuesday, attended several programmes, including a visit to Gujarati Vidyalaya and inaugurating a science lab. She later spent about one hour interacting with students at KBN College. Reacting to a query posed by a student, the minister said that it was not possible for the Centre to enforce uniform syllabus. The student raised the issue keeping in view of the recent decision of Centre to implement the National Entrance-cum-Eligibility Test (NEET) for medical admissions following the Supreme Court's judge-

ment. "We can only extend support to improve the quality of the education in all the states," she explained. She, however, said that they have initiated a dialogue with all state boards to see that at least 70 per cent of the curriculum is similar on all fronts. She said that CBSE is continuing the discussion with the state boards to bring in required changes. Irani, however, said that they could not see much progress on the issue until the state governments agree upon their suggestions.

Irani managed the situation when she was grilled by a

student as to why the Centre is not granting special category status (SCS) to AP. "Our state party president Haribabu had already explained this issue in detail. AP is a special state for Centre and Prime minister Narendra Modi," replied Irani and said the Centre would keep all of its promises made to the state.

She said that they were treating AP as a special state as chief minister Chandrababu Naidu is a valued partner of NDA and added that they would not ignore any promise or demand that come from the state. She recalled as to how they took lead to set up 11 premier educational institutions in the state within 24

months. "Have you ever heard of so many central educational institutions coming to one state in such a short span?" she sought to know.

She said the Centre has decided to grant special transport allowance to girl students to encourage them to reach the schools and colleges without worrying about their transport costs. Union minister of state for surface transport Pon Radhakrishnan, MPs Gokaraju Gangaraju, Haribabu and BJP leaders Kavuri Sambasiva Rao and Daggubati Purandeswari were also present.
