

9. Guest lecture on 25-08-18 for MBA students by Sri. Ramakrishna Tadepalli. Project Delivery Executive IBM, India, on “Discover strengths and succeed through your strengths”.

REPORT:

He suggested the students to identify their strengths and develop a strong determination to achieve the goals with their strengths. SWOT analysis about themselves should be done by the students he advised. All the MBA Students should give priority to goal setting and they have design short term and long term plans to achieve their goals. He suggested.

Felicitation to the Guest
