## Academic and Administrative Audit (AAA) and follow up action taken

<https://kbncollege.ac.in/aaa.php>

Until the academic year 2019-20, the Commissionerate of Collegiate Education (CCE), AP State Government conducted the annual Academic and Administrative Audit of our college. Subsequently, the college has independently carried on this practice by engaging External Experts from renowned organizations. The findings, along with observations and recommendations, are presented in a report submitted to the head of the institution. Furthermore, the report is made accessible to the public as it is uploaded on the college website.

## **ABOUT THE COLLEGE:**

Kakraparti Bhavanarayana College is a vivacious outcome of a century old renowned charitable organization, S.K.P.V.V. Hindu High Schools Society with “Tejaswina Vadheethamasthu” as its motto. Since its inception in 1965, it marked an epoch in innovative education, in an academically and economically impoverished area. The college with heightened social imagination and ardent zeal, shone like a lodestar led innumerable students towards the goal of an illustrious life. The ever vibrant college grew by leaps and bounds and has evolved with times. It has been adorned with the Autonomous status by the UGC in the year 2010, and received “Best Laboratory”, “Best Academic Achievement”, “Best Library”, “Best NSS Unit” awards. The College has never rested on its laurels and has been relentlessly raising the bar. It is certified with ISO 9001-2015 which has been given for Quality Management Standard and accorded with CPE in 2016 by UGC. It has been reaccredited with “A” Grade by NAAC in 2019.

## **ABOUT THE PROGRAMME:**

The Coronavirus disease (COVID-19) pandemic has caused an unprecedented crisis in all areas. In the field of education, this emergency has led to the massive closure of face-to-face activities of educational institutions in more than 190 countries in order to prevent the spread of the virus and mitigate its impact. Accepting the transition and moving to online teaching has become the greatest challenge. We, the Teacher Developers, under the banner of Yusuf Hamied Inspirational Science program have conducted many face to face workshops and trained more than 25000 teachers across the country in a span of five years. The response was extremely encouraging and the consistent demand for interactive tools online motivated us to go online and create a range of online interactive platforms which will definitely come handy for all your online science classes. Through this online workshop we aim to retain the same zeal and enthusiasm we often found in our physical workshops and thus encourage you to conduct your online science classes more effectively.

One-Day National Webinar on  
**Role of Analytics in Talent Management”**  
3<sup>rd</sup> July, 2021

Organized by  
**Department of Commerce and Business Management**  
**Krishna University::Machilipatnam**

In association with  
**K.B.N. College (Autonomous):: Vijayawada**

**About the Webinar:**

In today's digital world, the role and importance of "Analytics" in Talent Management is obvious and imperative. Companies are engaged in war for talent and the use of analytics would give the cutting competitive edge to those corporates who extensively use it in their core HR processes.

Talent Analytics is the analysis of employee data, facilitated by the use of statistics and tech, with the purpose of making better business decisions. It typically involves the use of software that gathers insights into a company's current workforce and potential employees, allowing talent acquisition teams to understand what motivates their workers and potential hires. That's in addition to getting a better understanding of their strengths and weaknesses. All of this info is essential for adopting strategies that improve performance and productivity. It will also enhance the company's capability to retain their critical employees. This webinar will focus on the importance and role of Analytics in Talent Management and will also showcase a few tools of Analytics employed in attrition data.

**The following topics covered in the webinar:**

- ⇒ What is Analytics ?
- ⇒ The role of Big Data in Analytics Revolution
- ⇒ Distinction between Metrics and Analytics
- ⇒ Critical metrics for Talent Management
- ⇒ Introduction to Tableau—An analytical tool
- ⇒ Case Study on "Attrition" using Tableau
- ⇒ How to use Analytics effectively

Organized by  
Department of  
Commerce & Management

#### About the College:

Kakatiapuri Bhavanarayana College is a vivacious outcome of a century old renowned charitable organization, S.K.P.V.V. Hindu High Schools' Society with "Tejovana Vidyaarthasana" as its motto. Since its inception in 1965, it marked an epoch in innovative education, in an academically and economically impoverished area. The college with heightened social imagination and ardent zeal, shone like a lodestar led innumerable students towards the goal of an illustrious life.

The ever vibrant college grew by leaps and bounds and has evolved with times. It has been adorned with the Autonomous status by the UGC in the year 2010, and received "Best Laboratory", "Best Academic Achievement", "Best Library", "Best NSS Unit" awards. The College has never rested on its laurels and has been relentlessly raising the bar. It is certified with ISO 9001:2015 which has been given for Quality Management Standard and accorded with CPE in 2016 by UGC. It has been reaccredited with "A" Grade by NAAC in 2019.

#### About the Department:

The Department of Commerce & Management was established in the year 1965. Ever since its inception the Dept. has been an epitome for the college. The Department is an alter ego of the college, which is finally referred to as "Commerce College" instead of KBN College. Many an illustrious scholar established the Department and had an enviable and indelible impact on the students as well as the college itself. Their legacy continues and currently, among the distinguished faculty, not less than seven Doctors emblazon the banner of the Dept. which is also embellished with seven other MPhil Degree holders and NET/SET qualified members. The lion's share of the academic strength of the college is its students pursuing courses like B.Com (Gen), B.Com (TP), B.Com (Comp.), B.B.A. and B.Com (Log) at the Degree Level and MBA, M.Com and PG Diploma in e-Banking at the PG level. More than 1500 students at UG and 300 students at PG levels asseverate the academic might of the college. The unique courses like B.Com (Log) and PG Diploma Course in e-Banking are sponsored by the UGC and this college has the unparalleled distinction of being the only college offering these courses that augment the employability of the successful students. Apart from the Department of Commerce and Management, the college has 14 UG & 6 PG Departments.

#### Theme of the Seminar:

The impact of the Corona virus pandemic will be felt by organisations beyond six months, according to the findings of a survey conducted by professional services firm EY. "Today, organisations are grappling with an unprecedented crisis that is fundamentally different from what they have ever experienced. In this hour of crisis, the HR function has to be a business partner in anticipating change, co-creating a range of scenarios and planning for the future."

An important dimension that organizations will have to consider is the psychological impact of the crisis on their employees, stated the survey. While some organizations have started virtual yoga and psychological counselling sessions, a holistic approach to employee wellness will be imperative.

KBN College is delighted to host a series of Thought Leadership Webinar for Indian companies and businesses. This webinar series offers industry expertise and thought leadership on a wide range of topics relevant to sustainability landscapes and will share knowledge and encourage conversations with landscape professionals from around the country and across the globe.
