

## **DEWORMING DAY**

**(10-08-2023)**

On August 10, 2023, the NSS units of KBN College commemorated Deworming Day. During this significant event, the NSS units took the initiative to distribute Albendazole medicine to the students. In a message delivered by Dr. V. Narayana Rao Garu, it was emphasized that the distribution of this medicine is being facilitated with the assistance of local medical staff.

Sri V. Seshagiri Rao Garu, NSS Programme Officer-1, pointed out the prevailing issue of intestinal worm infestations among students in recent times. In light of this concern, the decision was made to provide Albendazole medicine to the students. Joining the effort, NSS Programme Officer-2, Sri D. Pavan Kumar Garu, NSS Programme Officer-3, Sri N. Samba Siva Rao, and NSS Programme Officer-4, Dr. G. Naga Raju Garu, actively participated in motivating the students and overseeing the distribution of the medicine.
