Organized by: **Department of Commerce (Logistics)**

2nd July, 2018

The Department of Commerce organized a Guest Lecture on “Logistics Management” on 2nd July., 2018. Sri T. Naga Sai, Asst. General Manager, Navatha Road Transport was the Resource Person. The Programme started with the talk of Sri Ch. Srinivasa Reddy, In-Charge, Dept. of Logistics. Sri E. Vara Prasad, Vice - Principal, addressed the students about opportunities in logistics management. After his talk the Resource Person Sri T. Naga Sai, explained the following topics:

Logistics Management: Logistics management provides for the flow and storage of information and products between the firm and its suppliers, the firm and its customers and the various plants, divisions and units of the firm.

Types of warehouses:

- Private warehouses
- Public warehouses
- Government warehouses
- Distribution Centres
- Cold storages
- Exports & Imports hubs / bondage warehouses
- Climate controlled
- Field ware houses
- Agricultural warehouses

Characteristics of an ideal warehouse:

- Convenient location
- Adequate power

- Round the clock production
- Latest fire fitting equipment
- Away from union issues
- Cold Storage factory
- Adequate space for parking for big vehicles
- Availability of mechanical appliances
- Within reach to modern communication

Components of WHMS:

- Warehouse and labour management
- Transportation management
- Yard management
- International trade logistics
- Supply chain management visibility on event management
- Cost analysing factors (CAF)
