OUR COLLEGE

Origin and History :

Our old Town or One Town, as it is popularly known, has long been neglected in having educational facilities. There was practically no scope or provision for higher education. Barring one or two High Schools, there was no college.

Young boys and girls, after their high school studies, had to tread long distances to pursue their studies in colleges in the two town. Especially the girl students faced many hardships in realizing their dreams of higher education.

This urgent need for higher educational facilities strongly compelled some of the philanthropic elite of the business community of this part of the town to put their heads and hands together in working towards the goal.

Kakaraparti Bhavanarayana College is truly a dream come true for many, especially for those who are residing in the old town of Vijayawada. The long cherished dream has been realised through the benevolence of Danaseela, Purapramukha and Vidya-Poshaka Sri Kakaraparti Bhavanarayana Sresti. Business magnets Sri Vusirika Jagan Mohan Rao, Sri Koppuravuri Satyanarayana and a host of others also came forward to start the college. The foundation stone of the college was laid on 6th Nov, 1964 by Sri Kasu Brahmananda Reddy, the then Chief Minister of Andhra Pradesh. The college was constructed on a sprawling 9.6 acres of land of the S.K.P.V.V. Hindu High Schools' Committee.

It commenced functioning fully ever since June 1965. The college had a humble beginning with 220 students and a devoted staff of just fifteen under the visionary leadership of the Founder Principal Sri S.Sundaram. The college had taken huge strides in its growth and became one of the premier institutions in Vijayawada, sparing no efforts for the last fifty two years in fulfilling its vision and mission.

The infrastructure of the college is admirable. The administrative block has spacious rooms for the Principal, Vice-Principal and the Management. Classes for Intermediate and Degree are conducted in 36 wellfurnished and well maintained classrooms. Every department has its own staff room. All the laboratories are well equipped. The college has a state of the art library worth Rs.10 lakhs with over 37000 volumes. It has a reading room and also a Digital Library with over 12000 e-books. The college is embellished with expansive playgrounds and an Indoor stadium.

Separate rooms are provided for NCC, NSS and Gymnasium. The college is also endowed with an elegantly designed open air theatre, 'Kalaniketan' with an open gallery and a seating capacity of 2500, which is one of the spectacular features of the college.
