

**Faculty Development Programme**  
**On**  
**Effective Teaching Strategies Using Technology**  
**Department of English**  
**24th May 2025**

The Teacher remains a Resourceful in the classroom. Using Technology can significantly enhance the Teaching Strategies making the learner more connected to what he is learning. The department of English was directed to organise FDP on "Effective Teaching Strategies Using Technology". The Resource Person Dr.B.Neelambaram, Assistant Professor, Department of English, VR SIDDHARTHA SCHOOL OF ENGINEERING,(DEEMED TO BE UNIVERSITY),Kanuru, Vijayawada.

He shared and insisted on the purpose and importance of integrating Technology in Teaching English. It increases Accessibility and enhances collaboration facilitates the learner academically and technically preparing the learner a future ready. Because, the technology in Education changes the landscape, Digital transformation and the Rise of Hybrid and Remote learning. Benefits of technology are improved creative engagement, personalised learning easy access to information, encourage collaboration, develop Digital skills, gamification of learning etc. With the integrated frameworks like SAMR: Substitution, Augmentation, Pedagogical, Content and Knowledge.

This FDP enlightened the participants on various strategies and tools to make the classroom learning very interesting and interactive. The tools and platforms like Nearpod,Mentimeter, pear deck, gamification, virtual classroom, google work place, Microsoft team, project based learning, dreamboy,khan academy,,AI in Education, ChatGPT etc.

In this regard, we, the department of English extend our gratitude to the Management, Dr.G.Krishnaveni, Principal, Sri P.L.Ramesh Vice Principal, Dr.M.Venkateswara Rao, Vice Principal, Dr.V.Natayana Rao AO sir, and Dr.Kiran Kumar Director R&D for their constant guidance and encouragement to materialise the program successfully. We also thank the tech and supporting staff for their cooperation.
