The Internal Quality Assurance Cell (IQAC) of KBN College successfully organized a **Faculty Demonstration Evaluation Programme (FDP)** on 13th September 2025. The programme aimed to enhance the teaching and presentation skills of faculty members through expert evaluation, constructive feedback, and academic discussions.

Distinguished subject experts from various disciplines served as resource persons for the FDP:

1. Mathematics & Statistics Expert: **Sri M. Venkateswara Rao**, Avanigadda Government College.
2. Management Studies Expert: **Dr. Naga Sundari**, Director of Management Studies, Maris Stella College.
3. Computer Science & Applications Expert: **Dr. M. Babu Reddy**, Krishna University.
4. Chemistry, Bio-Technology, Physics, and Electronics Expert: **Prof. N. Madhavi**, Head, Department of Chemistry, JKC College (A), Guntur.
5. Commerce & Management Studies Expert: **Sri V. Sambi Reddy**, Associate Professor & Ex-Principal, Sathavahana College, Vijayawada.
6. Languages Expert (English, Telugu, Hindi): **Dr. K. Rama Krishna**, Vice-Principal, KBN College.

The FDP provided a vibrant platform for faculty members to demonstrate their teaching methods and receive expert guidance to further strengthen their pedagogical approaches. Each session focused on innovative teaching strategies, subject-specific methodologies, and classroom management techniques.

The resource persons appreciated the efforts of the participating faculty and offered valuable suggestions for improving demonstration techniques, ensuring student engagement, and adopting modern teaching-learning practices.
