## DAY-1

### Visit to IIT Madras

Date of Visit: [10/09/2025]

Organized by: [KBN College PG Dept. of Computer Science & Applications]

Participants: [131]

---

### 1. Introduction

The industrial visit to the Indian Institute of Technology Madras (IIT Madras) was organized to provide students with an opportunity to gain insights into the advanced research and development activities carried out at one of India's premier engineering institutions. The visit aimed to bridge the gap between theoretical knowledge and practical application.

### 2. Objectives

- To understand the research and innovation ecosystem at IIT Madras.
- To observe the functioning of various departments and labs.
- To interact with faculty and researchers.
- To gain exposure to cutting-edge technologies and industrial practices.

### 3. Itinerary

- **Arrival and Welcome:** The visit began with a warm welcome by the IIT Madras team, followed by an introductory session about the institute's history, mission, and achievements.
- **Campus Tour:** A guided tour of the campus, including visits to key departments such as Computer Science, Electrical Engineering, and Mechanical Engineering.
- **Lab Visits:** Detailed visits to various labs, including the Robotics Lab, Nanotechnology Lab.
- **Interaction Session:** An interactive session with faculty members and researchers, where students could ask questions and discuss ongoing projects.
- **Conclusion:** The visit concluded with a feedback session and distribution of informational brochures.

#### **4. Key Highlights**

- **Robotics Lab:** Students were particularly impressed by the advanced robotics projects and demonstrations.
- **Faculty Interaction:** The opportunity to interact with esteemed faculty members provided valuable insights into the academic and research environment at IIT Madras.

#### **5. Learning Outcomes**

- Enhanced understanding of the practical applications of engineering concepts.
- Exposure to the latest technological advancements and research methodologies.
- Inspiration and motivation to pursue higher studies and research.

#### **6. Feedback**

The visit was highly appreciated by all participants. The students found the experience enriching and expressed a keen interest in future visits and collaborations with IIT Madras.

#### **7. Conclusion**

The industrial visit to IIT Madras was a resounding success, fulfilling its objectives and providing students with a comprehensive understanding of the institute's contributions to science and technology. Such visits are instrumental in shaping the future careers of students by exposing them to real-world applications of their academic knowledge.

## DAY-2

### Visit to Infosys Mysore

Date of Visit: [11/09/2025]

Organized by: [KBN College PG Dept. of Computer Science & Applications]

Participants: [131]

---

## Introduction

An industrial visit was organized on **11th September 2025** to the **Infosys Global Education Centre, Mysore**, for the postgraduate students of our institution. A total of **115 MCA students** and **16 M.Sc. Data Science students**, along with **6** faculty members, participated in the visit. The purpose of this visit was to bridge the gap between theoretical knowledge and real-time industry practices, thereby enhancing the students' professional outlook.

## Objectives

The primary objectives of the visit were:

- To familiarize students with the corporate environment of a leading IT company.
- To understand the large-scale training methodologies followed by Infosys for grooming fresh graduates.
- To gain insights into the infrastructure, facilities, and culture that support continuous learning.
- To provide awareness about career opportunities and industry expectations in the IT and Data Science domains.

## Observations

During the campus tour, students were introduced to:

- The **world-class training infrastructure**, including digital classrooms, innovation labs, and libraries.
- **Recreational and residential facilities** such as food courts, hostels, sports complexes, and wellness centers.
- Infosys' commitment to fostering a **learning-driven and innovation-oriented environment**.
- Interaction sessions that highlighted the importance of adaptability, continuous upskilling, and professional ethics in the IT industry.

## Outcomes

The visit proved to be highly beneficial for the students as it enabled them to:

- Understand the **scale and structure of corporate training programs**.
- Recognize the **importance of soft skills and technical proficiency** in career growth.
- Gain a practical perspective on how academic learning is applied in real-time projects.
- Enhance their motivation and readiness to pursue careers in IT and Data Science.

## Conclusion

The industrial visit to **Infosys Mysore Campus** was an enriching experience that provided valuable exposure to the students. It served as a platform to connect classroom learning with industrial practices, while also inspiring students to strive for excellence in their respective fields. Such initiatives play a vital role in preparing students for future professional challenges and opportunities.
